Subject: Flyer to residents

Dear Sanjay and David,

Below is a shot of the flyer we delivered by hand door to door Sunday June 16th throughout University Park to all residents. These were delivered before any areas of the Do not consume were lifted.

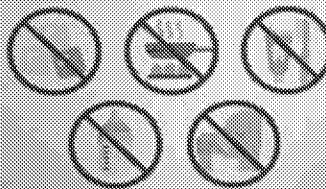

Attention University Park, Green Garden and Monee Township Residents

Elevated levels of lead have been detected in your area.

Until further notification, please take the
following precautions:

1. Do not drink tap water
2. Do not prepare formula
3. Do not make ice cubes
4. Do not use tap water for
cooking or brushing teeth

You may still use water from the
tap to bathe or wash hands.

Aqua Illinois customers' safety is our first priority. We are investigating all potential
causes for elevated lead levels and are offering all customers free testing kits and
water, and free filtered water.

For more information, please call 877.987.2782. Updates are also available at
www.aquaamerica.com/our-states/illinois.

We thank you for your patience during this process.

AQUA

Printed on 6/15/19
